

Introduction from BACCN Regional Advisors

The Annual Regional Awards form an integral part of the BACCN culture. The awards are designed to reward and encourage our members who work tirelessly to promote the work of the Association. The regions and regional committees play a hugely important role in our success, recruiting and retaining our members, providing educational opportunities and events as well as supporting and encouraging one another.

We are delighted, to have secured again the support of our colleagues in the industry for the BACCN 2006 Annual Regional Awards. We would like to give our heartfelt thanks to Philips Medical Systems, Intersurgical Ltd and Thornbury Nursing Services for supporting the BACCN in such an important initiative.
